Dear Sir or Madam,

Full Time 20mph Speed Limit – Wellington Road Area.

The Council proposes to upgrade existing part time 20mph controls on Wellington Road and Bury Street West so that they apply 24/7. It further proposes to extend the full time 20mph speed limit into various adjacent streets, in line with its ongoing project work to promote road safety and active travel.

The area covered by the new 20mph speed limit is shown on the reverse. There are no proposals to introduce traffic calming measures at present. The Council also proposes double yellow lines to deter unhelpful parking near the traffic islands on Wellington Road, responding to reports of delays to buses.

Objections or representations should be submitted in writing by 21 June 2023, either via email to traffic@enfield.gov.uk or to the postal address seen below, marked for attention of the Traffic Team.

Yours faithfully

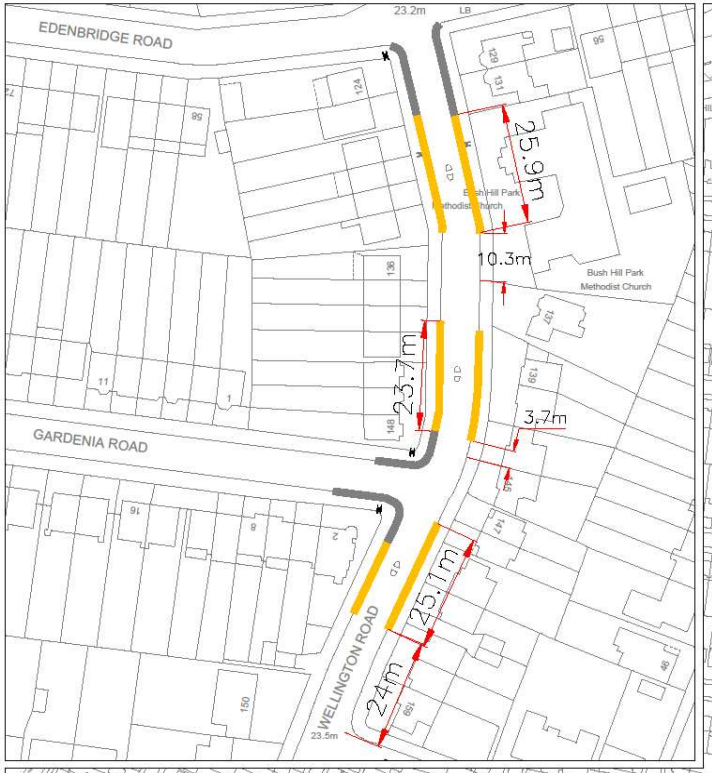

Andy Ruffell
Senior Engineer – Road Safety

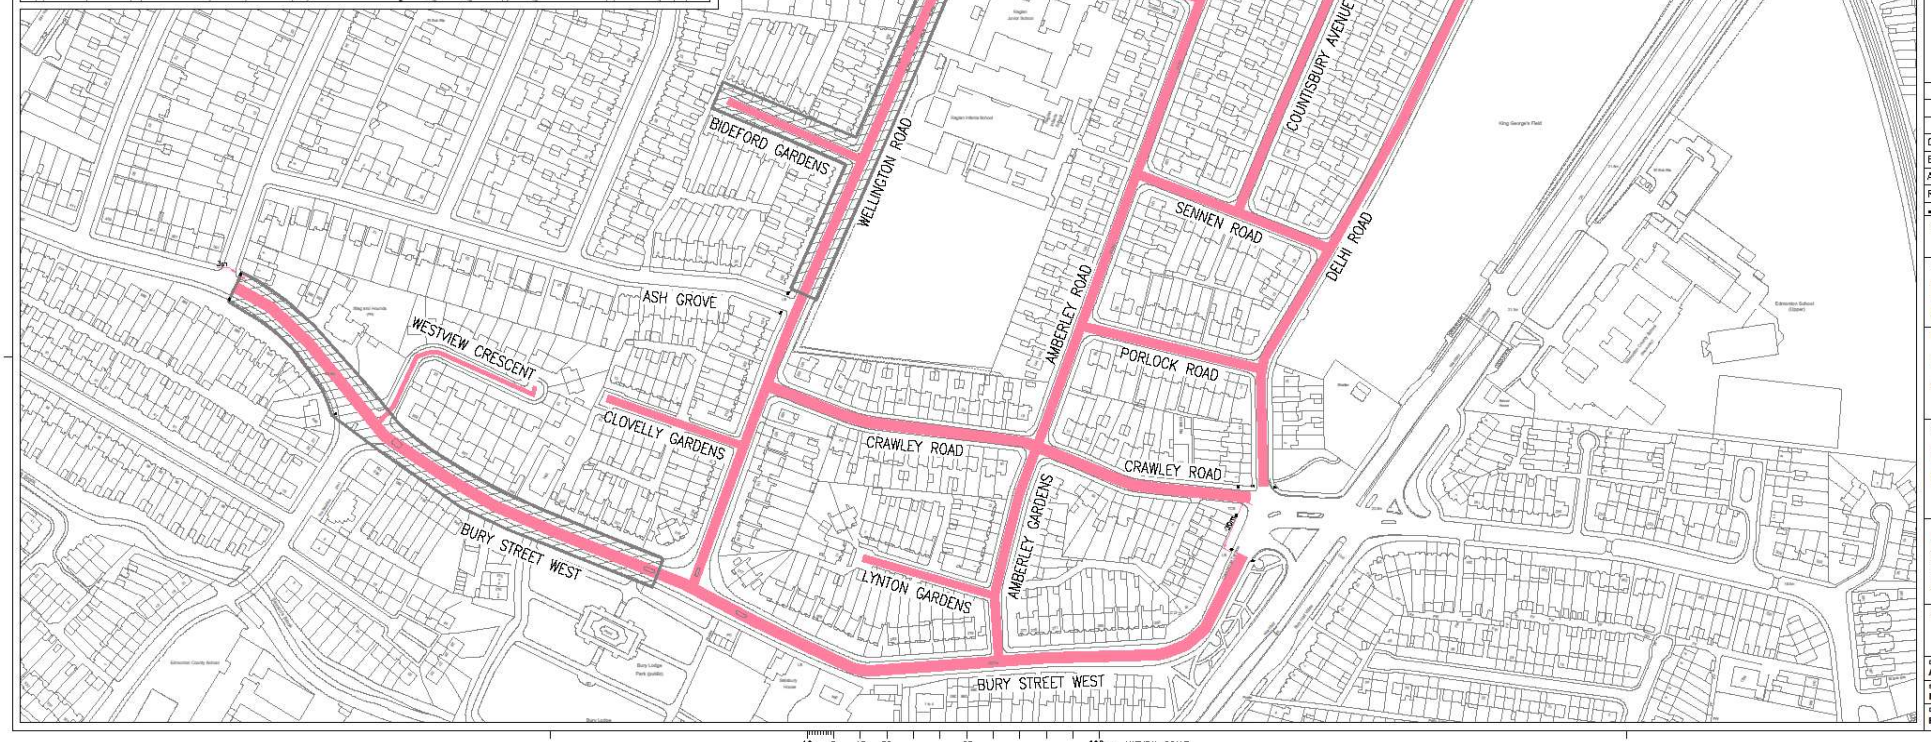

Enfield Council has launched a series of 14 e-newsletters covering a range of topics that provide residents with more frequent Council news and service updates. More than 40,000 people have already signed up, make sure you're one of them. You can register at **www.enfield.gov.uk/enewsletters**
